

Community Emergency Response Team (CERT) Training

Do you know what to do when faced with an emergency? Do you feel helpless when disaster strikes? Your assistance could be critical before, during, and after a natural or man-made disaster. ARE YOU PREPARED?

CERT training offers information and skills volunteer teams can use to better prepare their families, neighbors and communities to cope with the aftermath of natural and man-made disasters. CERT teams provide immediate assistance and direction in their community until first responders can arrive.

The **Harvest United Methodist Church & St. Catherine of Sienna Episcopal Church** will be hosting **CERT trained** as follows:

 *Saint Catherine of Sienna Episcopal Church*

Monday Evenings, Sept 14, 2009 – Nov 2, 2009, 6:30 pm – 9:30 pm

The training program will cover areas such as:
